Database :SQL

Other Skills : Communication Skills, Team Work, Presentation Skills

Language: English, Hindi, Marathi(basic), German(basic)

PROJECTS

1) My Pawriend | HTML | CSS| React.js |JavaScript|

- An animal rescue website designed to connect animals in need with potential adopters and foster homes. Built using React.js for Front-End, CSS and HTML for styling
- Visitors can browse available animals, read their stories, and apply for adoption or fostering through an intuitive front-end interface.
- The system tracks and displays the impact of rescue efforts, showcasing successful adoptions and highlighting ongoing needs, which has led to increased community engagement and a measurable rise in adoption rates.
